SILVER

Electric hoof trimming chute

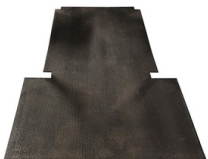

Spare parts

1	Tool arm incl. power socket and light	6	Hind leg / belly band rope, 10 mm, 10 m	11	Motor control unit Silver	16	Silver belly band motor 8
2	Heavy-duty belly band	7	Stainless steel front leg hooks	12	Switch for Silver motor control unit	17	45 µF capacitor hind leg motor 6
3	Hock strap	8	Hind leg flap hook	13	Emergency stop Silver	18	30 µF capacitor front leg motor 4
4	Gates 2 × 1 m	9	Door gas spring 400	14	Silver hind leg motor 6	19	50 µF capacitor – belly band motor 8
5	Front leg rope, 8 mm, 5 m	10	Rear gate gas spring 1750	15	Silver front leg motor 4		

SILVER

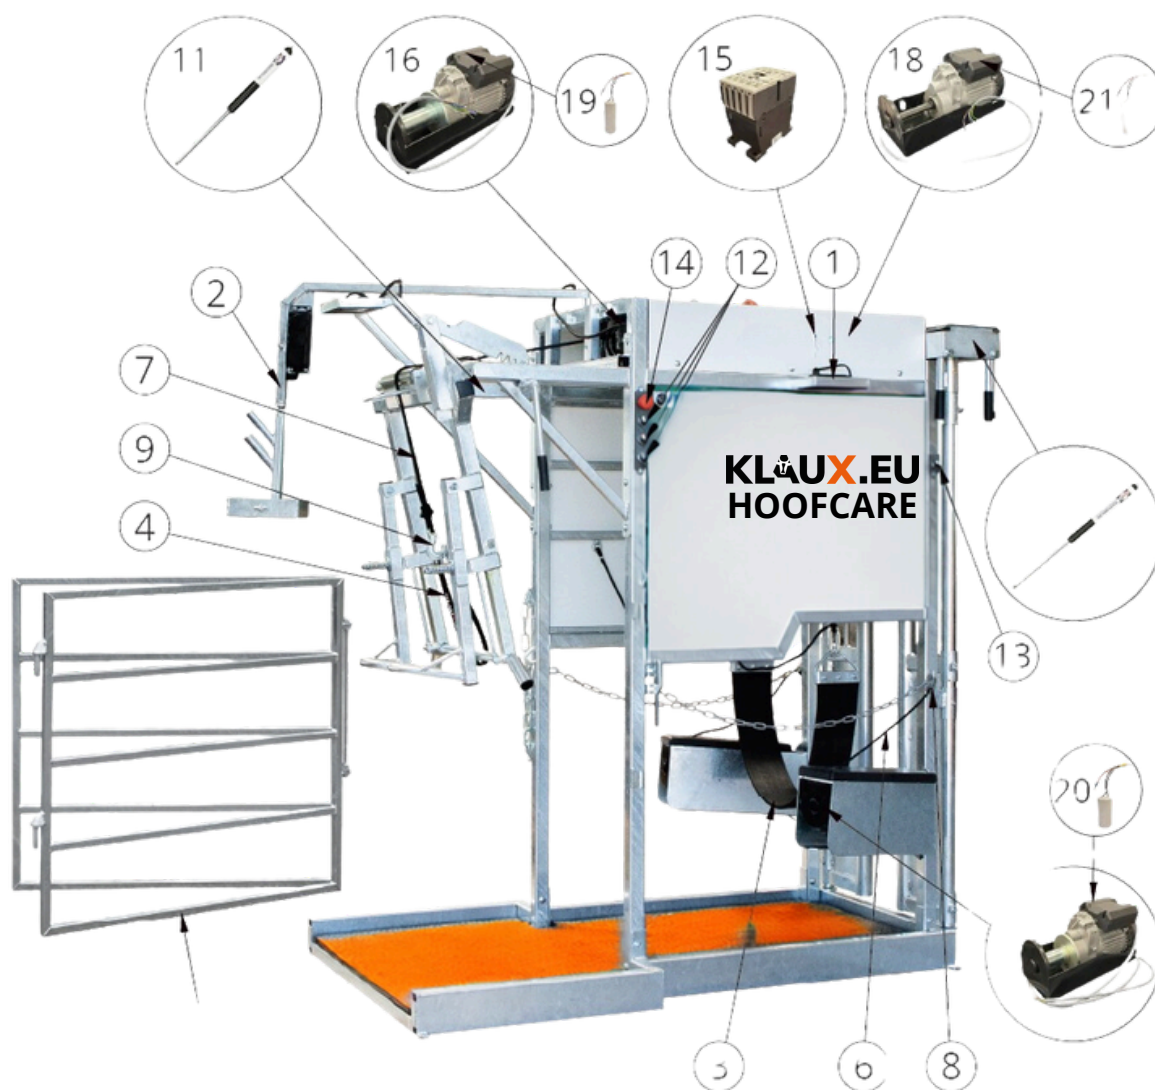

Options

Front leg hooks set of 2, 70 mm XL, Fleckvieh	VFront leg hooks set of 2, 63 mm L, Holstein	Front leg hooks set of 2, 55 mm M, Jersey
		
Chute raiser - 12 cm	Chute raiser 12 cm, with forklift pockets	
		
Wheel set	Plastic front leg blocks set of 2, with recess for front leg hooks	
		
Tool arm incl. power socket	Rubbermat	
		
Hind leg hook	Certified lifting eye incl. certificate	
		

PLATINUM

Electric hoof trimming chute

Spare parts

1	LED light – per unit, incl. cable, excl. metal frame	7	Hind leg / belly band rope 10 mm, 10 m	13	24 V electrical switch for Platinum (Hydro) – up/down, left-neutral-right	19	45 µF capacitor – hind leg motor 6
2	Tool arm incl. power socket	8	Stainless steel front leg hooks	14	24 V electrical switch for Platinum (Hydro) – emergency stop	20	30 µF capacitor – front leg motor 4
3	Heavy-duty belly band	9	Hind leg flap hook	15	Motor relay for Platinum (Hydro) electrical cabinet	21	50 µF capacitor – belly band motor 8
4	Hock strap	10	Gas spring for door	16	Hind leg motor 6, for Platinum (Hydro)	22	45 µF capacitor – hind leg motor 6
5	Gate 2 x 1 m, for Silver, Platinum (Hydro) and Titanium	11	Rear gate gas spring 1750, for Silver and Platinum (Hydro)	17	Front leg motor 4, for Platinum (Hydro)		
6	Front leg rope 8 mm, 5 m	12	24 V electrical switch for Platinum (Hydro) LED light on/off	18	Belly band motor 8, for Platinum (Hydro)		

PLATINUM

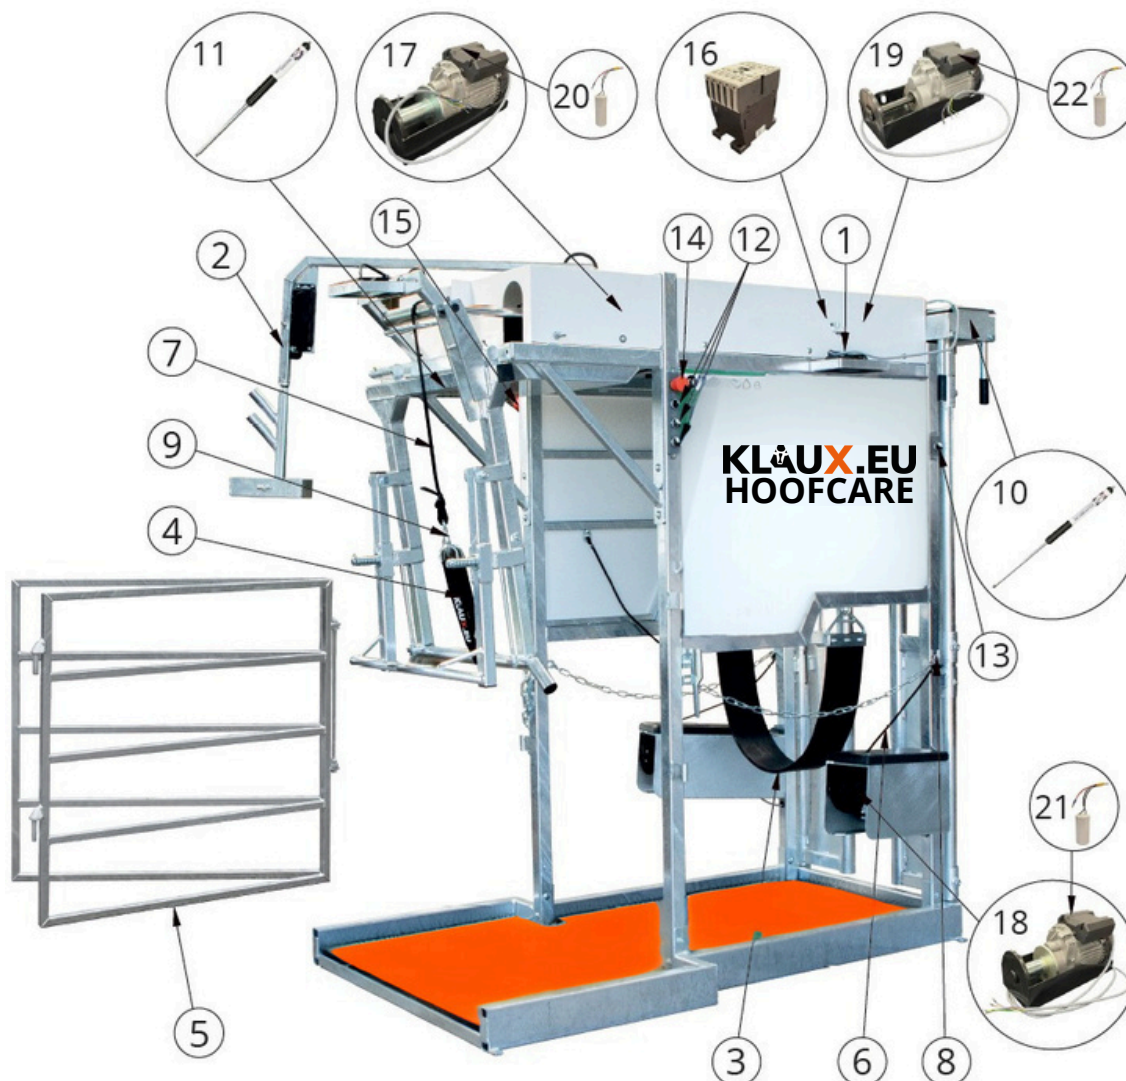

Options

Front leg hooks set of 2, 70 mm XL, Fleckvieh	VFront leg hooks set of 2, 63 mm L, Holstein	Front leg hooks set of 2, 55 mm M, Jersey
		
Chute raiser - 12 cm	Chute raiser 12 cm, with forklift pockets	
		
Wheel set	Plastic front leg blocks set of 2, with recess for front leg hooks	
		
Tool arm incl. power socket and light	Rubbermat	
		
Hind leg hook	Certified lifting eye incl. certificate	
		

PLATINUM HYDRO

Hybrid hoof trimming chute

Spare parts

1	LED light per unit, incl. cable, excl. metal frame	7	Hind leg / belly band rope 10 mm, 10 m	13	24 V electrical switch for Platinum (Hydro) up/down, left-neutral-right	19	Belly band motor 8, for Platinum (Hydro)
2	Tool arm incl. power socket	8	Stainless steel front leg hooks	14	24 V electrical switch for Platinum (Hydro) emergency stop	20	45 µF capacitor hind leg motor 6
3	Heavy-duty belly band	9	Hind leg flap hook	15	Remote control for Platinum Hydro	21	30 µF capacitor front leg motor 4
4	Hock strap	10	Gas spring for door	16	Belly band motor for Silver 8	22	50 µF capacitor belly band motor 8
5	Gate 2 × 1 m, for Silver, Platinum (Hydro) and Titanium	11	Rear gate gas spring 1750, for Silver and Platinum (Hydro)	17	Hind leg motor 6, for Platinum (Hydro)		
6	Front leg rope 8 mm, 5 m	12	24 V electrical switch for Platinum (Hydro) LED light on/off	18	Front leg motor 4, for Platinum (Hydro)		

PLATINUM HYDRO

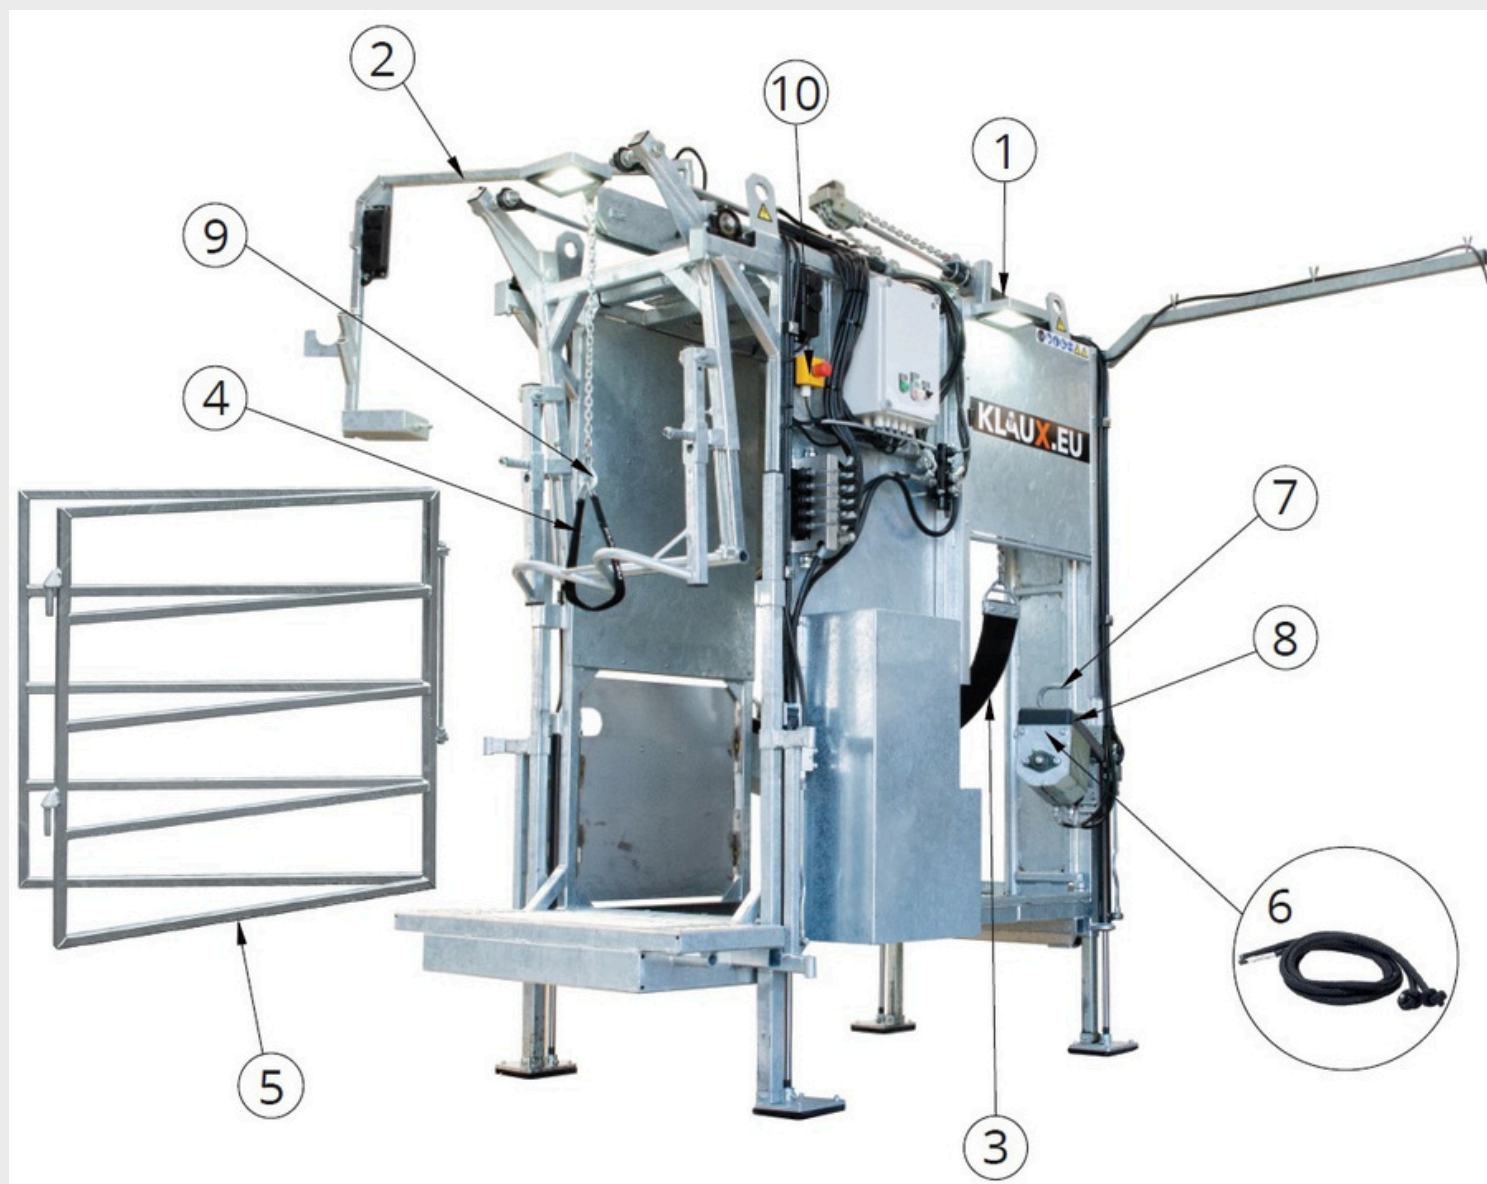

Options

Front leg hooks set of 2, 70 mm XL, Fleckvieh	VFront leg hooks set of 2, 63 mm L, Holstein	Front leg hooks set of 2, 55 mm M, Jersey
Chute raiser - 12 cm	Chute raiser 12 cm, with forklift pockets	
Wheel set	Plastic front leg blocks set of 2, with recess for front leg hooks	
Tool arm incl. power socket and light	Rubbermat	
Hind leg hook	Certified lifting eye incl. certificate	

TITANIUM

Hydraulic hoof trimming chute

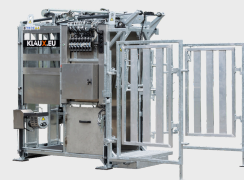

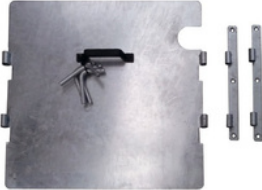

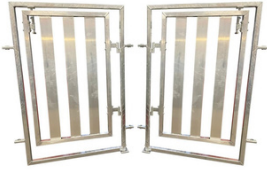

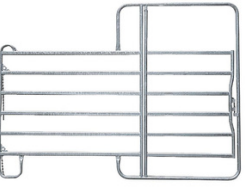

Spare parts

1	LED light – per unit, incl. cable, excl. metal frame, for Platinum (Hydro) and Titanium	6	Front leg rope 8 mm, 5 m
2	Tool arm incl. power socket, for Silver, Platinum (Hydro) and Titanium	7	Front leg hooks set of 2, 63 mm L, Holstein
3	Heavy-duty belly band	8	Plastic front leg blocks set of 2, with recess for front leg hooks
4	Hock strap	9	Hind leg flap hook
5	Gate 2 × 1 m	10	Surface-mounted emergency stop Titanium 230 V

TITANIUM

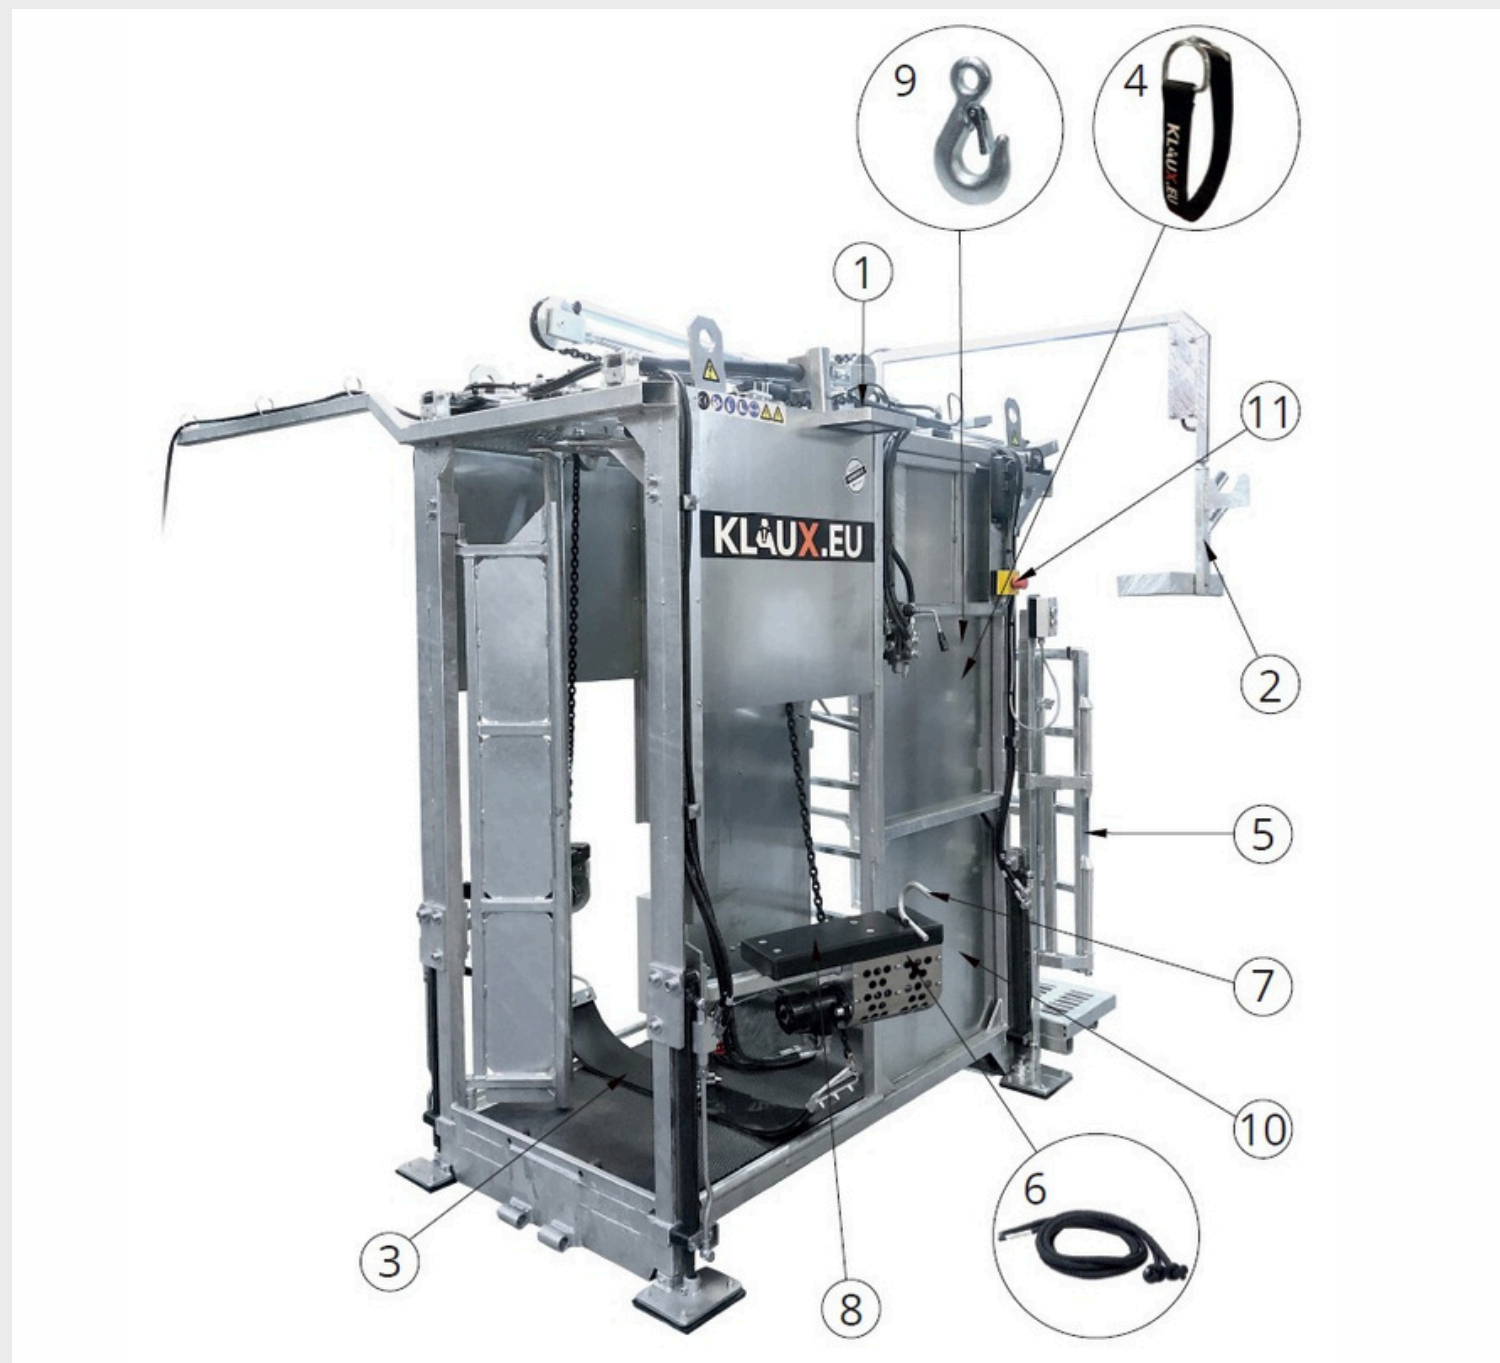

Options

Hind leg hook	Dry-off gate	Extra aluminium panel (connector required)
		
Front leg hooks set of 2, 70 mm XL, Fleckvieh	Jersey door narrowing and rear fixation bracket extension	Panels + gate - 2 panels (1 frame + 1 gate), connector required
		
VFront leg hooks set of 2, 55 mm M, Jersey	Connectable pen panel for holding pen, length 2.40 m	Connector from chute to pen panel customisation possible
		
Tool box with lighting and heating (updated model)	Connectable pen panel for holding pen length 3 m	Holding pen connector (2x), from chute to pen panel - customisation possible
		
Wheel set	Connectable pen panel with gate for holding pen 2.40 m	Holding pen with connected fixed panels, hinged with gates - customisation possible
		

TITANIUM + DRY-OFF GATE

Hydraulic hoof trimming chute

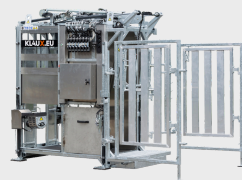

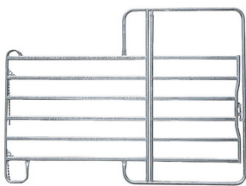

Spare parts

1	LED light – per unit, incl. cable, excl. metal frame	7	Front leg hooks set of 2, 63 mm L, Holstein
2	Tool arm incl. power socket	8	Plastic front leg blocks set of 2, with recess for front leg hooks
3	Heavy-duty belly band	9	Hind leg flap hook
4	Hock strap	10	Dry-off gate
5	Gate 2 × 1 m	11	Surface-mounted emergency stop? Titanium 230 V
6	Front leg rope 8 mm, 5 m		

TITANIUM + DRY-OFF GATE

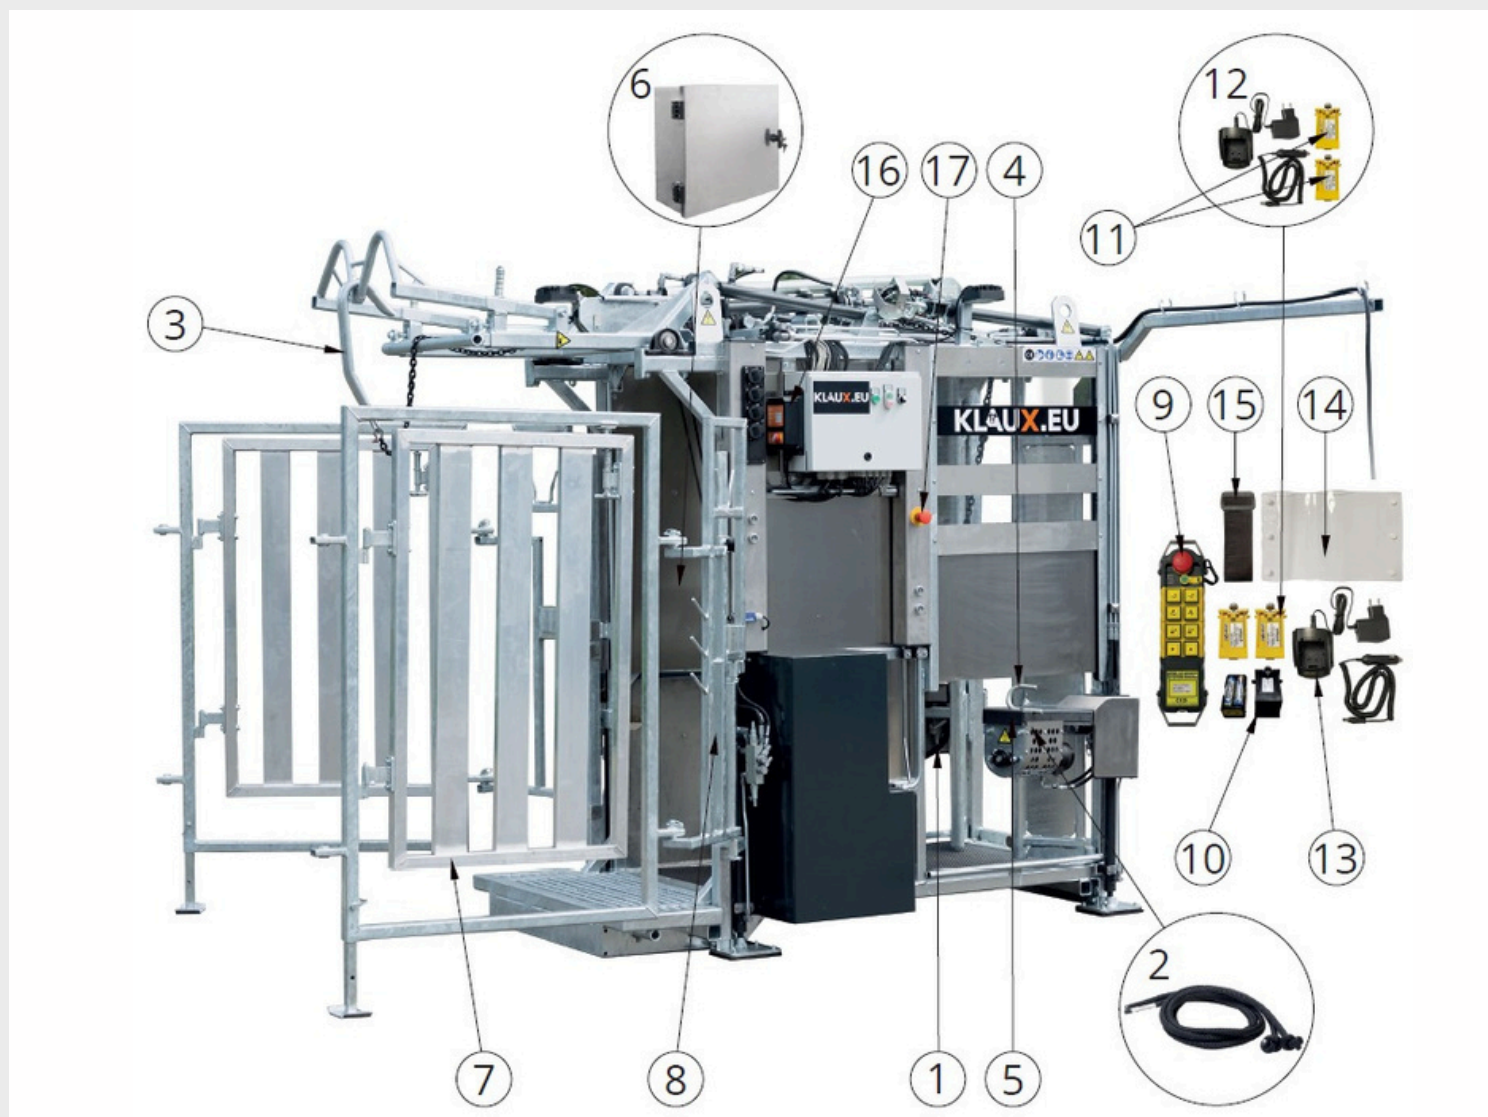

Options

Hind leg hook	Jersey door narrowing and rear fixation bracket extension	Extra aluminium panel (connector required)
		
Front leg hooks set of 2, 70 mm XL, Fleckvieh	Connectable pen panel for holding pen, length 2.40 m	Panels + gate - 2 panels (1 frame + 1 gate), connector required
		
VFront leg hooks set of 2, 55 mm M, Jersey	Connectable pen panel for holding pen length 3 m	Connector from chute to pen panel customisation possible
		
Tool box with lighting and heating (updated model)	Connectable pen panel with gate for holding pen 2.40 m	Holding pen connector (2x), from chute to pen panel - customisation possible
		
Wheel set	Holding pen with connected fixed panels, hinged with gates - customisation possible	
		

TITANIUM PRO

Hydraulic hoof trimming chute

Spare parts

1	Heavy-duty belly band	7	Panels + gate 2 panels (1 frame + 1 gate) (connector required)	13	Car and mains charger
2	Front leg rope, 8 mm, 5 m	8	Connector from chute to pen panel Titanium (Pro), customisation possible	14	Protective cover
3	Hind leg hook	9	Remote control	15	Shoulder strap
4	Front leg hooks, set of 2, 63 mm L, Holstein	10	Battery holder for AA batteries, supplied incl. 4 batteries	16	Receiver
5	Plastic front leg blocks set of 2, with recess for front leg hooks	11	Battery pack	17	Surface-mounted emergency stop – Titanium 230 V
6	Tool box with lighting and heating (updated model)	12	Charger kit, 2× battery packs + car and mains charger		

TITANIUM PRO

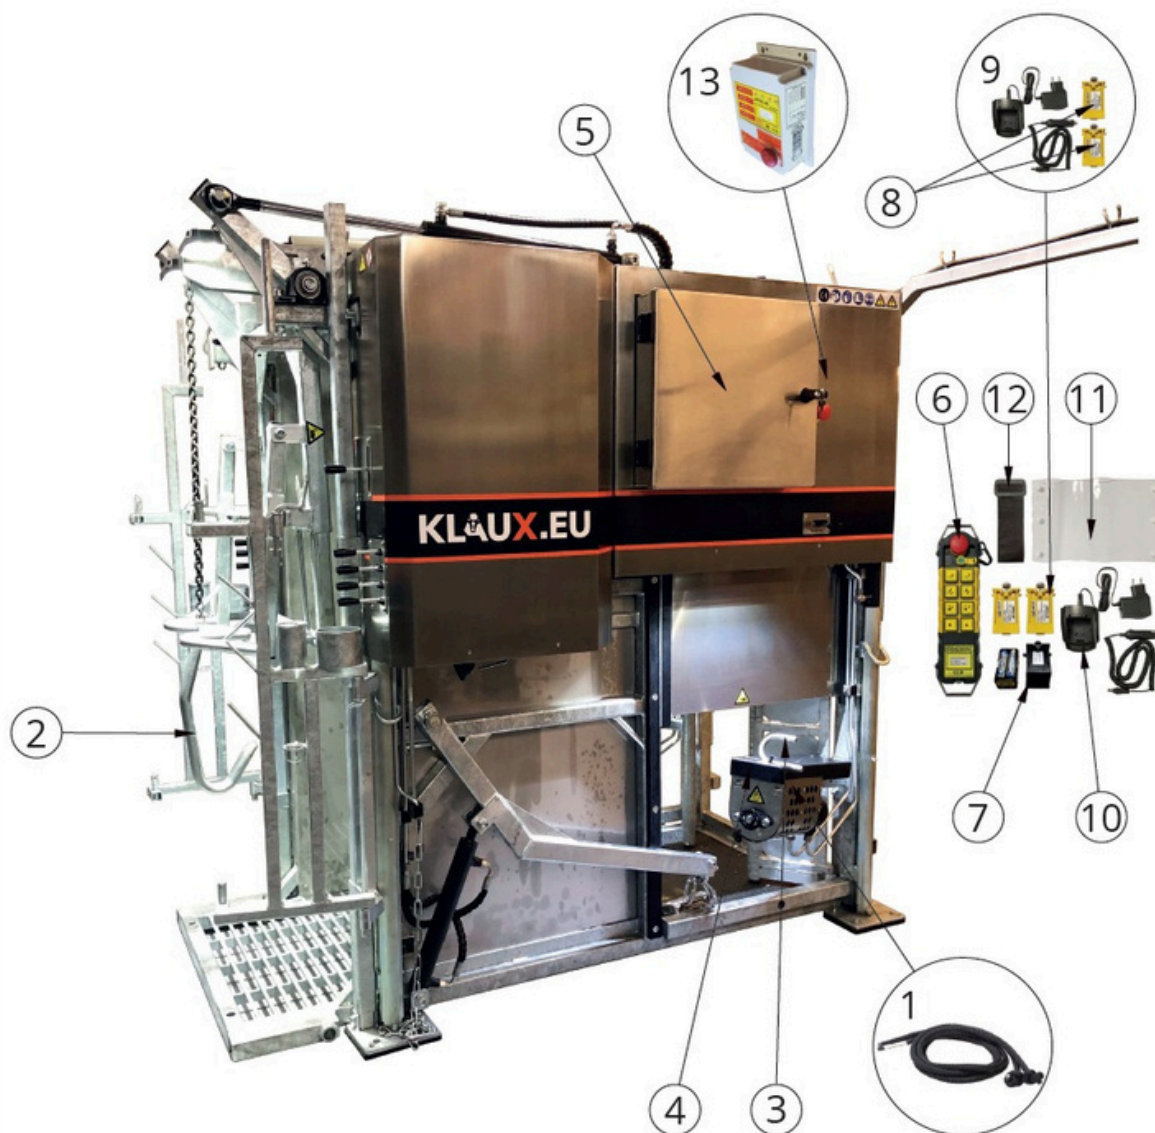

Options

Front leg hooks set of 2, 70 mm XL, Fleckvieh	Connectable pen panel for holding pen, length 2.40 m	Holding pen with connected fixed panels hinged with gates customisation possible
Front leg hooks set of 2, 55 mm M, Jersey	Connectable pen panel for holding pen, length 3 m	Holding pen freestanding model with 2 gates with frame, 2 x 3 m panels and 2 x 2.40 m panels (connector required)
Wheel set	Connectable pen panel with gate for holding pen, 2.40 m	Bracket set for attaching pen panels
Dry-off gate	Extra aluminium panel (connector required)	Support legs for chute for loading and unloading from trailer
Jersey door narrowing and rear fixation bracket extension	Connector from chute to pen panel customisation possible	Remote control with protective cover and shoulder strap, incl. charger kit (2x battery packs + car and mains charger)- en licht-stroom lader)

RODIUM MASTER

Hydraulic hoof trimming chute

Spare parts

1	Front leg rope 8 mm, 5 m	7	Battery holder for AA batteries supplied incl. 4 batteries	13	Receiver
2	Hind leg hook	8	Battery pack		
3	Front leg hooks set of 2, 63 mm L, Holstein	9	Charger kit 2× battery packs + car and mains charger		
4	Plastic front leg blocks set of 2, with recess for front leg hooks	10	Car and mains charger		
5	Tool box with lighting and heating (updated model)	11	Protective cover		
6	Remote control	12	Shoulder strap		

RODIUM MASTER

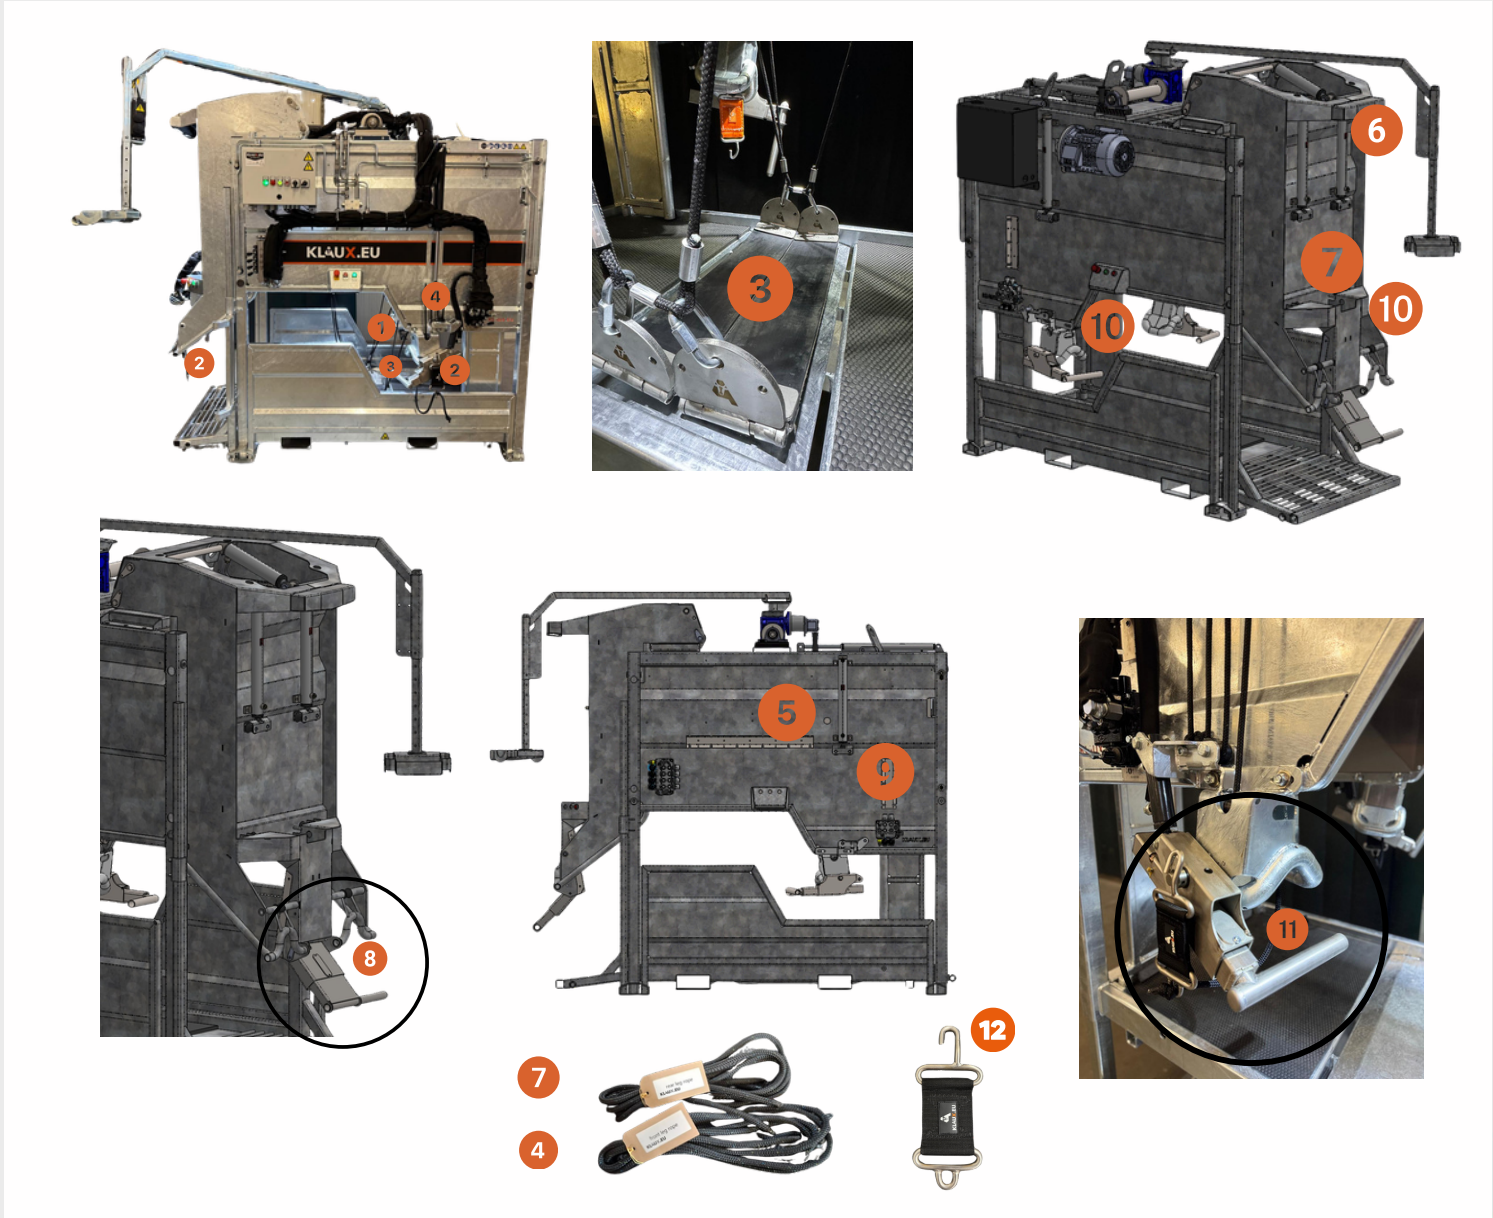

Options

Front leg hooks set of 2, 70 mm XL, Fleckvieh	Connectable pen panel with gate for holding pen, 2.40 m	Holding pen with connected fixed panels hinged with gates customisation possible
Front leg hooks set of 2, 55 mm M, Jersey	Extra aluminium panel (connector required)	Holding pen freestanding model with 2 gates with frame, 2 x 3 m panels and 2 x 2.40 m panels (connector required)
Jersey door narrowing and rear fixation bracket extension	Rodium Master panels with gate 2 panels (1 frame + 1 gate) (connector required)	Bracket set for attaching pen panels
Connectable pen panel for holding pen, length 2.40 m	Connector from chute to Rodium Master pen panel customisation possible	Support legs for chute for loading and unloading from trailer
Connectable pen panel for holding pen, length 3 m	Connector from chute to pen panel customisation possible	Remote control with protective cover and shoulder strap, incl. charger kit (2x battery packs + car and mains charger)- en licht-stroom lader)

Chrome

Hydraulic hoof trimming chute

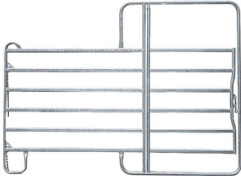

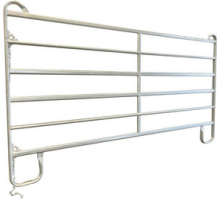

Spare parts

1	Belly band rope	7	Hind leg rope
2	Leg attachment (4x)	8	Springs & mounting hardware hind leg
3	Chrome belly band	9	Rope
4	Front leg rope	10	ON - OFF - EMERGENCY STOP buttons – 24 V electrical switch for emergency stop
5	Front leg LED light	11	Springs & mounting hardware front leg
6	Rear LED light	12	Leg straps left & right

CHROME

Options

Tool box with lighting and heating (updated model)	Wheel set	Machine mover
		
Bracket set for attaching pen panels	Connectable pen panel with gate for holding pen, 2.40 m	Holding pen with connected fixed panels, hinged with gates customisation possible
		
Support legs for chute for loading and unloading from trailer	Connectable pen panel for holding pen length 2.40 m	Connectable pen panel for holding pen length 3 m
		

TRAILER

For Klaux.eu hoof trimming chutes

OPTIONS

Support legs for chute - for loading and unloading from trailer
